CERTIFICATES

Formação dos Técnicos de Apoio Informático às Mesas Eleitorais
(Training for Election Board IT Support Technicians)

ABOUT ME

Studied Electrical and Computer Engineering at the University of Coimbra. I'm currently on a break from pursuing my higher education, while creating and developing various personal projects, to further develop my skills and my problem solving ability. I am eager to learn and deepen my skills, and would like to gain some professional experience.

WORK HISTORY

📅 06/2024

📍 SGMAI - Administração Eleitoral
Figueira da Foz

IT Support Technician
European Parliament Elections 2024

FORMATION

Degree in Electrical and Computer Engineering

[97.5 ECTS / Current average - 12.4 / 20]

📅 09/2017 - Present

📍 Universidade de Coimbra, Coimbra

Structural knowledge:

- Computer Science
- Digital Systems and Computers
- Automation and Control
- Fundamental Electrical Sciences
- Economics, Management and Social Sciences
- Electronics, Circuits and Sensors
- Mathematics and Physics
- Signals, Systems and Signal Processing
- Energy

Master's Degree in Electrical and Computer Engineering - Computer Branch

[121.5 ECTS / Current average - 12.4 / 20]

📅 09/2021 - Present

📍 Universidade de Coimbra, Coimbra

- Skills acquired:
- Computer Architecture
 - Entrepreneurship, Innovation and Technology Transfer
 - Software Engineering
 - Real-time systems
 - IoT

GENERAL SKILLS

Work Ethic

Solving Problems

Desire to Learn

Driving License Category B
